

ScopeRate

PARTNER REFERRAL

A clearer quote. A record of the work.

FOR INDEPENDENT SUPPLIERS AND BUSINESS ADVISERS

A useful Android resource for customers quoting paint, repairs, landscaping or material-heavy projects.

From your costs to your quote

Enter materials, labor, overhead and contingency.
Compare floor, target and premium quote options.

Figures depend on the costs you enter.

Target quote

\$2,323.29

\$1,626.30 cost \$696.99 profit 30% margin

Actual app view. Fictional demonstration data.

Photos and visits

Keep before, progress and completed-work notes, plus recorded appointments, with the job.

Customers and materials

Save contact details, reusable unit costs and manual stock adjustments.

Manual billing records

Record invoices, payments, credits and refunds.
ScopeRate does not collect client money or issue refunds.

Local job records

Keep the workspace on the device. Export your own backups and selected client PDFs when access is available.

Start with free quick pricing.

Android app. Optional ScopeRate Pro subscriptions.

Visit the public ScopeRate website

scoperate.mewrcreate.com

Free quick pricing is available on Android. Pro subscriptions are optional. Saved-job capacity and client PDF exports have access limits; optional rewarded ads depend on availability.
